Help Rebuild San Francisco and Share in Great Profits

One of the first stores to rebuild and start in business after the great fire of April 18, was Smiths' Cash Store, a Country Mail Order House, selling goods by catalogue. That company, after a few days had passed, and the bricks were hardly cold, put up an iron building on a portion of their previous building site, and began stocking goods, selling and shipping. They duplicated about $2 000.00 worth of goods on orders that had been burned up, for which they received no second payment.

A little later on, they put up another sheet-iron structure on a large lot adjoining at No. 14 to 24 Steuart St., and with the two buildings they are now crowded with business, daily increasing, and which has taxed their capacity to the utmost. They are arranging to have their store rebuilt on their former location, No. 25 Market St., which was for so many years a land-mark to people coming to town.

This company, with others, sustained a very severe loss during the fire, and they propose to rehabilitate upon the plan of letting their customers join in their affairs to the extent of purchasing a small interest from $10.00 to $1,000.00. Any one paying $10.00 into the company's treasury for a membership certificate, receives a pro rata share of the earnings upon same, divided semi-annually, also receives an immediate co-operative owner's discount of five per cent on all purchases. Everyone purchasing at the store is taking up with the plan in order to make this discount. Besides buying the goods at the wholesale rate, this amount is saved. Their trade is expanding rapidly, and it is true, practical co-operative idea. It will be further explained by addressing the store, or H. A. Smith, President and General Manager, No. 14 to 24 Steuart street, San Francisco, Calif.

WYMAN MURPHY DEAD

Wyman Murphy, formerly a prominent resident of Santa Rosa, passed away at the home of his daughter, Mrs. Griggs in Los Angeles, on January 6 Deceased was over 80 years of age and a man of sterling character. He leaves a number of grown children, one of whom is Mrs. Oscar Campbell to mourn his loss.

GOING EAST

Messrs Oscar T. Weber and S. Schocken expect to leave here about the middle of next month on a business trip to New York and Chicago. It is understood that their mission will be to interest capitalists in an electric road from tide water to Santa Rosa. It is sincerely hoped that their trip will be very successful.

ARTIST TOPETE

M. Topete, the artist and photographer of Sonoma, has kindly presented us with a colored picture of our home and printing office. The picture is skillfully done and proves the artistic ability of Mr. Topete, who has had considerable successful experience in this class of work in San Francisco. The picture is on exhibition at Hotz's Store.

MANUFACTURERS GUARANTEE

THE WEATHER

The coldest weather in years has prevailed in the Valley of the Moon, the past week. Snow fell here on Monday night and with a heavy frost in the morning made the climate decidedly cool. More of the same kind of weather has been predicted.

There is no doubt that the climate of California is gradually changing and becoming cooler. By actual survey, by the United States government it has become known that the warm Japan current which formerly ran quite near the coast and made the climate of the Golden West mild and equable, is now running many miles further out in the Pacific Ocean. While the climate of this state is still very pleasant and attractive on the whole our winters now are a little more severe than in former years.

Calvin is President

The election of a president for the Northwestern Pacific railroad, the joint concern of the Southern Pacific and Santa Fe Companies, which lately took over the California Northwestern railroad, resulted in the choice, of H. E. Calvin, of the Southern Pacific.

Capt. A. H. Payson of the Santa Fe Company, was elected vice president, Capt. N. T. Smith of the Southern Pacific, treasurer, and J. L Wilicut of the Southern Pacific company, secretary.

There will be no change in the present management of the Northwestern. James Alger will continue as general manager and R. X. Ryan will have charge of the freight and passenger business.

BEAR FLAG CAMP

The local camp of Woodmen of the World initiated three new members at the regular meeting last Monday night in I. O. O. F. Hall. There was a goodly attendance of neighbors. A delicious luncheon was enjoyed by all present. The installation of officers will occur at the next regular meeting.

EDITOR KEENE DEAD

Editor J. C. Keene, of the Windsor Sun and for many years editor and proprietor of the Sotoyome Sun of Healdsburg, passed away at his home in Windsor yesterday week. He was a hard working, conscientious and honorable man greatly respected by a wide circle of friends. He leaves a widow and several grown children to mourn his loss.

FRIDAY JANUARY 18, 1907

BROKE A RIB

Some thoughtless person threw a large snowball in the center of which was a block of wood, at Tony Cereghino one day last week in Glen Ellen, striking him in the ribs. While suffering some pain, Mr. Cereghino thought the pain would soon pass away but on Wednesday morning while stooping over to pick up something from the floor, the rib which had been fractured by the wooden snow ball, snapped and the unfortunate man heard and felt the break with alarm.

Dr. Thomson was immediately summoned to attend the injury. Mr. Cereghino will be laid up for some time.

The sincere hope is expressed by his host of friends, that no serious results will follow and that he will rapidly recover his usual good health.

DANTE BASAGLIA HURT

Tuesday morning about 10 o'clock while working on a building on Sutter St. San Francisco, Dante Basaglia, a well known Sonoma boy was seriously injured.

The derrick used on the building for hoisting material, broke loose and fell, striking young Basaglia a terrible blow on the head. Ten stitches had to be taken in the wound and it is feared that his skull is fractured. His brother, Peter Basaglia, came along soon after he was taken to the Emergency Hospital and had the boy removed to the Scobie Hospital on Page St. where he will receive the best of attention. He was still unconscious Wednesday evening. An operation may be necessary and grave fears are expressed as to his recovery.

His mother and brother went be low Thursday morning to be at his bedside.

It is hoped that Dante will soon be all right again.

COLONIAL BALL

At the last meeting of the Woman's Improvement Club of Glen Ellen, it was decided to give a Colonial Ball on Washington's Birthday, February 22. The Club members will all wear the costumes of that period and it is hoped that many others will adopt the same mode, as it is bright and becoming and will add much to the festive appearance of the assembly. The proceeds of this party will be devoted to the building of a club house, for which the lot has already been promised by our most generous and public-spirited citizen, Dr. C. C. O'Donnel.

Sonoma Grammar School

THE BADGE OF HONESTY
The above illustration represents the several native medicinal plants which enter into Dr. Pierce's Favorite Prescription.

It Stands Alone The one and only medicine for the cure of women's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle wrapper, having the great laboratory in Buffalo, N. Y., where it is made, is Dr. Pierce's Favorite Prescription.

It Stands Alone Not only in respect to its known composition, but also as the only specific advertised remedy for women's diseases which *absolutely contains no alcohol.*

It Stands Alone As the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do because his "Favorite Prescription" is made of such ingredients, and after a working formula that has thousands of cures to its credit—thus placing its merits above criticism.

It Stands Alone As nature's cure for the diseases peculiar to women, and is composed of Golden Seal root, Blue Cohosh root, Unicorn root, Black Cohosh root, Lady's Slipper root and chemically pure glycerine of proper strength, to extract and preserve the medicinal principles residing in the roots employed, for any length of time in any climate. It is scientifically prepared by experienced chemists and pharmacists at the laboratory of the World's Dispensary Medical Association, Buffalo, N. Y.

In the early sixties it was usually the duty of a practicing physician to ride many miles every day on his regular round of visits upon his patients. In those days a young man who had received a careful medical training in one of the best colleges of that day was accustomed to ride ten, twenty and often thirty miles or more, visiting the sick and afflicted. His success was soon phenomenal. Doctors and families called him for consultation to towns at considerable distances by rail. He became especially noted in the cure of obstinate and distressing diseases of women. He had early discovered that by combining the extracts of certain native medicinal plants *in just the right proportion*, without the use of alcohol, his "Prescription" almost invariably *cured* such cases. Later, in order to place this remedy before the public in a shape easily to be procured, he established a laboratory at Buffalo, N. Y., where regularly qualified chemists and pharmacists were put in charge to accurately prepare his "Prescription" and put it in shape for shipment. This remedy, which he named Dr. Pierce's Favorite Prescription, is not a "patent medicine," but is a real prescription of a real physician in a real practice, and hence the name.

Pierce's Pleasant Pellets These tiny, sugar-coated anti-bilious granules regulate Stomach, Liver and Bowels, cure Constipation and Bad Stomach, followed by foul breath. One or two for a laxative, three or four for a cathartic.

The Vital Point

To consider when buying a heater is the draft. Exhaustive tests prove that the down-draft as it is developed in the celebrated
WILSON DOWN DRAFT HEATER
is the only form that insures perfect combustion at a minimum of fuel expense. Furnishes twice the heat from half the amount of fuel used, because all gas generated is burned. In other heaters it escapes into the chimney.
Consider this fuel economy in buying.

Our Success

Isn't made up of orders. It is made of re-orders. And a good customer wrongly treated, lasts no longer than the shoddy he buys.

There is always a "comeback" on every sale. Whether it is a "come back" in re-orders, or a "come-back" in returned goods depends entirely upon your product itself.

VALUE RECEIVED is the most potent salesman after the first order has been filled. Every cent SAVED is shortened VALUE—is LOST in shortened TRADE. To keep up the sales we keep up the quality.

We aim first to sell SATISFACTION; and the goods that give it will re-sell themselves.

Very "Special Offer"

Our subscription books are open this month to sell to 1000 families a co-operative share in this company for special "building-up" purposes. A membership costs $10.00. You get a certificate for it entitling you to five per cent. discount on all goods you buy from us. For only $10.00 invested you get this liberal discount and practically own the goods you buy at cost. You share in net profits earned by these shares besides, if you wish to invest more, but no larger discount is given to any one.

Purely as an investment I know of nothing better. I have managed and helped to manage this business since a boy and I know what it is worth and what it will do. There is not a detail I am not personally acquainted with and able to perform. I am therefore sure when I say, "It will pay you." It will pay more returns than you have any idea of, particularly in the next five years, during San Francisco's rebuilding. You get your share without work or effort. It's a chance to go into business with your small capital, joining ours to earn the same proportion.

It is a rare chance.

If you believe after twenty-six years of conservative and a successful business, we are capable of handling your account, earning added money for you by saving—then write to me today for special payment terms, stating the amount you wish to invest. You can buy on the bedrock basis NOW. The shares of this Company are $10.00. I look for them to pay 10 per cent. dividend in 1907. They will sell at a premium one year hence. Our credit and business was never greater. Our earnings are three times what they were.

Our April loss will be made up, and more so, in one year. It speaks for itself—and the Cash Mail Order System—that our total fire loss, crushing as it was, did not annihilate us; that we had a building in progress on rear L of our lot before the fire stopped burning; that we built and own a commodious building adjoining, with greater facilities than before, and that we duplicated over $2,000 worth of goods at once to our patrons so none should suffer.

It will take money to rebuild and stock our permanent Market-street location. We know added trade is in sight as soon as we do so, thus this "Special Offer" to bring in new funds quickly. At present we devote ourselves mostly to Builders' Hardware and Staple Groceries in everyday demand. We may carry Clothing, Dry Goods, and similar lines on the ground floor on Market street—the rear adjoins present buildings.

Our sales today are $1000 to $1600 daily. Expenses are $3000 a month less than to sell the same amount formerly. Join while we are "building up" and reap the benefit while it costs only $10.00

Drop me a line and I will promptly answer your inquiries.

SEND US $10.00

for one fully Co-operative Share in this rapidly developing business, established 1879. You will then share in co-operation at its best.

EVERYBODY MAY, and surely will, come in with us on this basis. We have formerly not sold less than five shares to one person—$50.00. Now $10.00 does the work. Today we say we sell five shares to five persons and gain lots of added custom by doing so. It's a broad business principle, but it takes broad-guage liberal methods today to win.

You can take as many more shares as you like—for investment—not over 100: but you are a co operative in the fullest sense of the word, whether you invest $10.00 or $1000.00. We want your added good will and expect you to find one more investor besides.

A mail order house owned by its customers, must succeed immensely. Each person who subscribes $10.00 get a fully paid-up certificate entitling him to our "owner's co-operative discount" on all his purchases of five per cent. It is paid at the time of purchase of each bill of goods, large or small. You may deduct it in remitting from your order. If your bill is $20.00 take off five per cent. ($1.00) and send $19.00.

This offer to come in for $10.00 as part owner in the store is good all this month. Write us to reserve you a share if you can't take it this month. Dividends will be paid on shares, but the five per cent. co-operative discount is the greatest dividend to $10.00 owners. It isn't much risk—there is no risk. This store is fortunate in having a few hundred shareholders already, we refer to all of them.

$8.50 PUNCTURE-PROOF TIRES ONLY $4.80 PER PAIR

Regular Price $8.50 per pair. To Introduce We Will Sell You a Sample Pair for Only $4.80 (CASH WITH ORDER $4.50)

NAILS, TACKS OR GLASS WON'T LET OUT THE AIR

NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

Notice the thick rubber tread "A" and puncture strips "B" and "C," also rim strip "H" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is $8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only $4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price $4.56 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, with Quick-take-up-wheels, saddles, pedals, parts and repairs, and EVERYTHING in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. DO NOT THINK OF BUYING a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
